

The Right Time

Earth, Wind & Fire

I'll give you love, I'll open up
My heart to you, girl
'Cause you're the one, I've waited for
Baby, all of my life, it's you, yeah, yeah

I'm ready, oh, and this time, lady
It's the right time, baby, for love
I'm ready, oh, and this time, lady
It's the right time, honey, to be mine

I promise, girl, that I'll be there
I ain't goin' no where
I won't hesitate 'cause love don't wait
For anyone, not anyone, no, baby

I'm ready, oh, and this time, lady
It's the right time, baby, for love
I'm ready, oh, and this time, lady
It's the right time, honey, to be mine

There comes a time in every man's life
He opens his eyes and then he realizes true love
Baby, this time I'll give my all to you
'Cause it's the right time for love, it's the right time for love

I'm ready, oh, and this time, lady
It's the right time, baby, for love
I'm ready, oh, and this time, lady
It's the right time, honey, to be mine

I'm ready, oh, and this time, lady
It's the right time, baby, for love
I'm ready, oh, and this time, lady
It's the right time, honey, to be mine

I'm ready, oh, and this time, lady
It's the right time, baby, for love
I'm ready, oh, and this time, lady
It's the right time, honey, to be mine
