

## Thinking of You

Earth, Wind & Fire

Not to say that I'm a matchmaker  
But when it comes to you  
You met your match

You're inclined to leave me fascinated  
By the things you do  
My Baby Dance

You can bet your bottom dollar honey  
I'll be with you through thick and thin

I would love to give a testimony  
'Bout the way you are, you're my best friend

I've been thinking of you  
Got me wondering what would I do  
Got me thinking I'll be true  
Got me wondering I'm thinking of you  
You're the one that makes my love light shine  
Every time, morning till night

It's your sentimental way you show  
The kind of love you give  
Makes it alright

What you give is extraordinary  
It's a way of life, I like to live

I could be with you forever,  
'Cause lovin', gives me a thrill

Girl, I appreciate  
The love we generate  
You keep me, satisfied  
Just the sun, that shines  
Deep in this heart of mine  
Your love shining through
