

Hey Jacque

Eartha Kitt

Hey, Jacques
Have you seen Louis?
Is he still in Paris?
I wait, day after day,
in that cafe
by the river

Please, Jacques,
if you see Louis,
tell him to come to me.
I've tried, I can't forget
I love him yet.
Please, Jacques,
tell Louis, for me.

[spoken]
Hola, Jacques! Have you seen Louis?
He's not come to see me in [French words]
I've waited, and waited, in that cafe,
down by the river. No, Jacques [French words]

Please, Jacques,
if you see Louis,
tell him to come to me.
I've tried, I can't forget
I love him yet.
Please, Jacques,
tell Louis, for me.
