

Hist the Window Noah

Eartha Kitt

Ohh Noah
Ohh Noah
I said, ohh Noah
Hist the window
Let the dove come in

Ohh Noah
Ohh Noah
I said, ohh Noah
Hist the window
Let the dove come in

Hist the window Noah
Hist the window Noah
Hist the window Noah
Hist the window
Let the dove come in

I said, hist the window Noah
Hist the window Noah
Hist the window Noah
Hist the window
Let the dove come in

I never shall forget that day
(Hist the window let the dove come in)
When Jesus washed my sins away
(Hist the window let the dove come in)
If don't believe I'm a child of God
(Hist the window let the dove come in)
T follow me down to the riverside
(Hist the window let the dove come in)

Hist the window Noah
Hist the window Noah
Hist the window Noah
Hist the window
Let the dove come in

I said, hist the window Noah
Hist the window Noah
Hist the window Noah
Hist the window
Let the dove come in...
