

## Hymn to Love

Eartha Kitt

If the sun should tumble from the sky  
If the sea should suddenly run dry  
If you love me, really love me  
Let it happen, I won't care

If it seems that everything is lost  
I should smile and never count the cost  
If you love me, really love me  
Let it happen, darling, I won't care

Shall I catch a shooting star?  
Shall I bring it where you are?  
If you want me to, I will

You can set me any task  
I'll do anything you ask  
If you'll only love me still

If at last our life on earth is through  
I would spend eternity with you  
If you love me, really love me  
Then whatever happens, I won't care
