

I Wish You Love

Eartha Kitt

Goodbye, no use leading with our chins
This is where our story ends
Never lovers, ever friends
Goodbye, let our hearts call it a day
But before you walk away
I'd sincerely like to say

I wish you bluebirds in the spring
To give your heart a song to sing
I wish you health
And more than wealth
I wish you love

And in July a lemonade
To cool you in some leafy glade
And then a kiss
But more than this
I wish you love

My aching heart and I agree
That you and I can never be
So with my best
My very best
I set you free

I wish you shelter from the storm
A cozy fire to keep you warm
But most of all
When snowflakes fall
I wish you love
