

## Airborne Ashes

Eartheater

The only way out of this is through  
Cross my heart and hope to die beyond hope  
I've seen the phoenix rise  
Out of my ashes  
Born out  
Born out of it  
Born out  
Born out of it  
Born out  
Born out

The only way out of this is through  
Cross my heart and hope to die beyond hope  
I've seen the phoenix rise  
Out of the ashes  
Born out  
Born out of it  
Born out  
Born out of it
