

# Bringing Me Back

Earthater

Seems like the more I say  
The less I mean  
Your eye contact  
Doesn't mean you're listening  
I don't blame you for drifting  
I feel like I'm undressing my memories

And every word  
Wet on my tongue  
Lingering with association  
All that I've seen  
And all that I've done  
I feel like I'm undressing my memories  
Ooh, ooh  
Ooh

Taking off  
Everything  
Until there is  
Nothing  
Left to split  
The screen  
Bringing me back  
To you  
Bringing me back  
To what I need to do  
What I need to do with you

You've never heard it  
You can't define it  
You've never felt this  
You can't compare  
You've never been here before  
And when I take you there  
You'll be speechless  
You'll be dumbstruck  
When I take off  
The words

Oh my God  
Oh my bird brain  
Oh my bird brain  
Lifting the words up  
Off everything  
I feel light as a feather  
Ooh, ooh  
Ooh

Taking off  
Into the air  
Until there's nothing left  
To care about from the past  
Bringing me back  
Bringing me back  
To you  
Bringing me back  
To what I need to do
