

# Fantasy Collision

Earthheater

Oh-oh  
Oh-oh, oh-oh  
Oh-oh  
Oh-oh, oh-oh  
Oh-oh, I want you, oh, oh-oh  
Oh-oh, oh-oh  
Oh-oh  
Oh-oh, oh-oh  
Oh-oh, I want you, oh, oh-oh  
Oh-oh, oh-oh  
Oh, oh  
Oh, oh

(Ooh)  
The alarm  
Is second to the thought of you  
I missed the turn  
Crashed the car  
Burst into flames  
Feels like dew upon my skin  
Abandoning my dream and mission  
For a fantasy collision  
This vehicle is totaled  
Spun off the road through the rail  
Off the cliff and into bed with you again

Until I'm awakened by a call  
It's my guardian angel  
Whispering a song  
A phoenix rising  
From the wreckage

I return  
To where I belong  
But not for long  
Not for long  
Not for long  
Not for long

I'm a fountain for you, you, you  
Ashes to ashes, dust to dust forever  
I'm a fountain for you forever  
Ashes to ashes, dust to dust forever
