

High Tide

Eartheater

Water can put out flames
But nothing can stop this day

I feel a high tide in my eyes
Brimming at the sight of you
I feel a high tide in my chest
Ready to flood this house
Gush down the hallway
Crashing through the windowpane
Wash the pain away
Water can put out flames
But nothing can stop this day
The tide is high

Tide is high
Tide is high
Tide is high

Like condensation
Every drop in me gushes in your direction

I feel a high tide in my eyes
Brimming at the sight of you
I feel a high tide in my chest
Ready to flood this house
Gush down the hallway
Crashing through the windowpane
Wash the pain away
Water can put out flames
But nothing can stop this day
The tide is high

Tide is high
Tide is high
Tide is high
