

You want to kiss me
Wanna eat me
Sink your teeth in
Now that you tasted it
You're texting first
And then you call
I don't pick up
You've got withdrawal
I was good without trying
Got the chronic
This shit bites back
You were boring
Even though you thought
You were stunting on me
Forgettable
You're forgettable
Forgettable
Forgettable
Forgettable
Forgettable
5, 6, 7, 8
Meet me at the garden gate
If I'm late please don't wait
I probably found a better date

Take a hint
Take a mint

Forgettable, oh oh
Forgettable, oh oh, -ble
