

## Scripture

Earthheater

How did you find me?  
Yes, I've been hiding  
Pining for no one that's writing  
The more they write, the more I turn to my

Scripture

I'm painting my own picture  
And these fools aren't in it  
I'm painting my own picture

Scripture

It feels like you were written  
I can't dismiss this feeling  
Invisible

Ink written on my heart

Scripture

I'm painting my own picture  
And these fools aren't in it  
I'm painting my own picture

Even though they think they know me on the screen  
No one knows where I have been  
Hiding on a mountain peak weaving my dreams  
Only the stars can see

Far away from everything  
Only the stars know where I've been  
It's written in the stars that we're meeting  
It's written in the stars  
You and I  
It's written in the stars  
You and I
