Eartheater

Supersoaker

Supersoaker (Meet me in the deep side)

Supersoaker

Supersoaker (Meet me in the deep side of the pool, uh)

Don't make me wait

You got me wet, come over

You know I got that supersoaker (Gush)

Meet me in the deep side of the pool

Better grow gills, bring a snorkel

Chug a whole gallon to reload, ah

Flash floods don't lie

You know I'm not fakin' it

Flash floods don't lie

You know I don't fake it

Flash floods don't lie

You know I'm not fakin' it

Flash floods don't lie

Gush don't lie

Flash floods don't lie

You know I don't fake it

Flash floods don't lie

Gush don't lie

Don't make me wait

You got me wet, come over

You know I got that supersoaker (Gush)

Meet me in the deep side of the pool

Better grow gills, bring a snorkel

Chug a whole gallon to reload, ah

Flash floods don't lie

You know I'm not fakin' it

Flash floods don't lie

You know I don't fake it

Flash floods don't lie

You know I'm not fakin' it

Flash floods don't lie

You know I don't fake it

Don't make me wait

You got me wet, come over

You know I got that supersoaker (Gush)
