Have no metaphor you today
I'm off work
I'm still as a wheel
Lying on it's side
I mean I'm tired
Tired
Screech
It's hard to speak
It's easier to sing
Deep shedding
Tree chronic
Al Green mixed tapes
Dancing on the fringe of time
Running out
Ringing running
And I know you
I know you think
This river runs heavy
Well you are right
It runs all night
It runs on high
This cup runneth over
It's not for you always
Bags heavy medical
Running errands
Four boroughs in a day
(Metalepsis)
Gags headies
Kind bud
Tree chronic
Al green mixed tapes
(Come on)
Dank reefer skunk ganja
Buddha toke botany cloaked
(Metalepsis
Metalepsis for you)
Muta monta planta trafka
Hash cash stash grass
Mix and mach
Green for green
Always got top shelf in stock
I'm changing my mind
I'm changing my mind
I'm allowed to change
Change my mind
Storm the bastille
Sniper in the feline eye
(Come on
Metalepsis
Metalepsis for you
Metalepsis
Metalepsis for you)
