EARTHGANG

Damn, I'm feelin' funny, man I'm feelin' funny as hell. Why the tree's smilin' at me? Y'all see that? Oh maybe I'm drunk. The tree's smilin' at me... the fuck... I don't like that bitch over there she got three titties and I don't like her... she has three titties. I don't know... It's starting to look pretty sexy, I like those big titties. Matter fact I don't want nobody but the bitch over there with the three titties. EarthGang!, I appreciate y'all for gettin' in my mothafuckin' car man, life is different. But I do got to tell y'all, I got a question. Am, Am I dead?
