

# The F Bomb

EARTHGANG

See I came here with a dangerous attitude and I stayed here  
Hand me luffa' I bathe here  
Scrubbing up your woman's butt  
Bubbles come from under us  
All the strength that I could mus-ter couldn't make that thunder hush

(I don't give a fuck)  
Bout a blogger or a critic  
Who be talking all the shit with all the typing and the clickin'  
(I don't give a fuck)  
'Bout a model slash actress  
Or whatever you thinking you practice  
You don't matter as much as your ass does  
(I don't give a fuck)  
'Bout a house wife or a ball wife  
Why don't you watch your own life  
I guess cause you got no life  
(I don't give a fuck)  
'Bout a cosign or a high five or a thumbs up  
You're a dumb fuck  
In my eyes so don't try  
(I don't give a fuck)  
'Bout a meatloaf or a rap beef  
Put it like this, if you ain't finna' take my life then don't attack me  
(I don't give a fuck)  
'Bout your so-called sour diesel  
I'll chief you  
Under the table if I was to meet you  
(I don't give a fuck)  
'Bout a nigga views on YouTube  
You're too stu-p-I-d  
To ID what I do  
(I don't give a fuck)  
Bout the coolness or that hot shit  
Monkey see monkey do motherfuckers  
Man I'll drown you motherfuckers in a mosh pit

I don't give a fuck about who  
Give a fuck about us  
Got them shook about face  
Leave em looking  
I don't give a fuck about who give a fuck about us  
Got them shook about face, leave em looking  
I don't give a fuck  
I don't give a fuck

6 AM and I'm up on a mission  
Brains washed up all in my kitchen  
Clothes falling apart  
Not to mention  
I ain't had shit to eat in a minute

So I'm scratching and so I'm itching  
Hands ashy, looking for an innocent bystander to bypass me  
Take yo shit and take off dashing  
Take yo bitch and take off laughing  
Tell her take that shit off naturally  
I'm chilling in back with the cough syrup  
Sick than a motherfucker yeah you heard me  
I wish I could ride around with the top dropped down  
But the government too concerned with me  
Who he learning with what he reading from  
Oh he feeding dumb niggas that shit  
Hey baby I, I think you look x, y, z, a-mazing  
Gotta find out where they made ya  
Gotta have that mufucka raided  
Like two in the front  
Eight in the back  
Anybody move let them go blat  
Like two in the front, eight in the back  
Anybody move, bet they go blat  
Them boys went crazy  
Now they back, and naw they don't drive no Cadillac  
And ya'll niggas out here looking for a pat on the back or a cosign  
Nigga fuck that o the stupid hoes and the videos  
And to everything that goes into making you watch them TV shows  
And your mind just numb  
And numb and you rolling rolling well

I don't give a fuck about who  
Give a fuck about us  
Got them shook about face  
Leave em looking  
I don't give a fuck about who give a fuck about us  
Got them shook about face, leave em looking  
I don't give a fuck  
I don't give a fuck
