

## Stay Another Day

East 17

**D** **A**  
R: Baby if you've got to go a way  
**G** **D**  
I don't think I can take the pain  
**A** **G**  
Won't you stay another day  
**D** **A**  
Oh don't leave me alone like this  
**G** **D**  
Don't you say it's the final kiss  
**A**  
Won't you stay another day

**D** **A** **G**  
1. Don't you know we've come too far now  
**D** **A** **G**  
Just to go and try to throw it all away  
**D** **A** **G**  
Thought I heard you say you love me  
**D** **A** **G**  
That your love was gonna be here to stay  
**D** **A** **G**  
I've only just begun to know you  
**D** **A** **G**  
All I can say is won't you stay just one more day

R:

2. I touch your face while you are sleeping  
And hold your hand don't understand what's going on  
Good times we had return to haunt me  
Though it's for you, all that I do seems to be wrong

R: (2x)
