

Tell Me What You Want

East 17

Tell me baby, baby

Thought I had the right one, suddenly you came along
You were so fine, so I had to choose
It had to be a must, so for us, there's no time to lose

Girl you know I'm really down for you
So if you feel it too
Tell me baby, baby
I just wanna spend my life with you
So if you want it too I can give you all that you need

Tell me baby, baby, baby tell me what you want
And I will give you what you need
Baby, baby, baby all I wanna do
Is give my love to you babe

There is nothing that I'd rather do
Than be spending all my time with you
You are so fine, there 's no doubt
It had to be a must, so for us, there's no time to lose

Baby can't we get it on tonight, so if it feels alright
Tell me baby, baby
All I wanna do is satisfy, just you and I
I can give you all that you need

What you want, baby I've got it
What you need, baby I've got it
