

The Way Love Looks

Easton Corbin

Baby I know I've told you
But I ain't told you today
When you walked in with that sleepy eyed grin
There's something I've been meaning to say

I like the way love looks
The way it looks on you

When you pencil in all your makeup
When youre rubbing it off at night
Getting out of them jeans while youre giggling at me
there's no mistaking I

I like the way love looks
The way it looks on you

Lying on the very next pillow
Smiling like you do
Sharing your deepest secrets
Baby I'm telling you

I like the way love looks
The way it looks on you

When you fall asleep in front of the tv
When youre cryin over some sad book
When you beg and plead to go fishin w me
And I have to bait your hook
