We're sitting here with Eazy E
Believe that
How are you doing
Allright
So, Eazy, tell me, how was your life as a youngster

Ruthless, my style as a juvenile Ran with a gang, slanged in the meanwhile Bankin, I specialized in gankin whites, Mexicans, brothers and others Daily, it's all about comin up Makin sure no punks are runnin up (Because I'm a gangster havin fun) Strapped with a gat when I'm walkin through Compton Terrible, I never listened to my mother It went in one ear, and out the other Ran my gang, sold undercover Call a girl out a name, yo I ain't no lover I'm a pimp, mack daddy, lookin for the dollar At thirteen I bought a six-fo' Impala Rollin, and runnin from the police Brother don't you know you can't trust a thief or thug, convict, hoodlum or criminal Leave your car open, gank for your stereo Hard and raw, no regard for the law (Eazy E, were you ever caught slipping?) Hell no! Just trippin off 8-ball And girls ain't nothin but female dogs to me Bitches! I'm sorry for that verse It's in my nature, I gotta curse out anybody gettin on my nerves You get beat, ganked, broke and served So... you know who I am and if you don't like it, I really don't give a damn

Hmm, I see, so you're rather violent?
Sometimes
Ok, what would be the situation when you so-called "gank" somebody?

Wait... for some people to leave I got another trick up my sleeve Step with pep to the back of the house Look then... all the lights are out Grabbed the door and it's locked, so easily made my way to the window Lift it up slow, cause it takes timing Looked around, and then I climbed in Once inside, I start takin Cause you know it's no time for shakin Get what you gonna get, front and center or get five years for breakin and enter Move quickly, but no runnin Shht, I think somebody's comin Hear the front door key, and I flee out the back door with a fist full of jewelry Over the wall... don't fall Wipe my sweat cause that was a close call

Gettin ganked by the E is a lesson So... is there any more questions?

Yes, as a matter of fact, there is...

Have you ever been involved in, like, a armed robbery or a hold-up?

You mean a 211?

Yeah

There's a store, but don't point Walk inside, case the joint One man behind the counter, another in the back Go out to the car and load the gat Grabbed the ski mask, here's the task Go in broke, come out with cash (Were you slick?) Yeah, you gotta be cunnin Told Ice Cube to leave the car runnin Walked in, said: "This is a robbery" Didn't need the money, it's just a hobby Fill the bag, homeboy, don't lag I want money, beer, and a pack of zig-zags The man in the back had a camera so he came out to test his stamina against Eazy E, but he took one Fell to the floor, so I ran back to the bucket, then I said: "Punch it" Took the gun, and then dumped it I'm not like Robin Hood, cause I want more Steal from the rich, hang with the poor My pockets are fat, you see, it don't matter to me I feel like nobody is badder than me (Is all that true) I don't lie You see... I'm not mister nice guy

Oh, so you're not exactly a role model?

Not exactly

And for your listeners, what does Eazy think of himself?

Bad and bold, you can't get with this Those that tried, you're on my hit list Can't be caught, sought or fought thought, and damn so what?

Down and dirty from the C-P-T

N-W-A and Eazy-E

One more, before we end this session (What's your real name?)

No more questions!
