

The Rev (Skit)

Eazy-E

Thank you brother Z, so glad you came here to see you, man
And I am reverent Durag
And know, I won't do's ya wrong, I always do's ya right
And now it's time for that offering
So now, I'm finna pass around this plate
And I ga-want you guys to put in those dollar bills
You know, I don't want no change, I want the 10's and 20's
No 1s, no 5s, just 10s, 20s, 50s of course
'Cause I-a reverent's tryna come up, you know
'Cause he's driving that 1963 Falcon convertible
And I wanna be driving something nice like a 1991 Bentley Turbo
I know you wanna see the reverent driving the nice car
You don't wanna nobody out there bad-
mouthing the reverent and everything
So I want you to put in that money, you know
Because there's a lot of things out there that you guys don't h
ave
And that's Eazy
Can I hear you say "Eazy"? Two times, can I hear you say "Eazy,
Eazy"?
Oh, thank you very much
Enoughs, I won't do's you wrong 'cause I always do's ya right
