

Forever

Eben

Jesus, you are my saviour
You are all I ever wanted
You are all I got
Uh huh Jesus, you are my shelter
You're the only one
I run to You are all I got

Forever, I will shout your name
Oh mamama
Forever, I will sing your praise
Yeeesssss!!!
To you be the Glory
You be the honour
For you worthy of our praise
Lord, you are mighty
Lord, you are holy
That's why we lift your name on high

Forever I will praise your name oh God
Forever I will worship you oh God
Forever and ever
Forever and ever oh God

Jesus, you are my saviour
You are all I ever wanted
You are all I got
Uh huh Jesus, you are my shelter

Who made the sun to shine
And the rain to fall on the good and evil
Who made the blind to see
And the lame to walk
And the dumb to speak... yeah

Jehova Uh... huh.
Jehova Uh... huh.
Jehova Uh... huh.

Jehova yeah
Who made a way for you
And a way for me through the darkest night
Who took you and set you on a solid ground
Jehova Uh... huh
Jehova Uh... huh.
Jehova Uh... huh.

Forever I will praise your name oh God
Forever I will worship you oh God
Forever and ever
Forever and ever oh God

Forever I will praise your name oh God
Forever I will worship you oh God
Forever and ever
Forever and ever oh God

Forever I will praise your name oh God
Forever I will worship you oh God
Forever and ever
Forever and ever oh God

Forever I will praise your name oh God
Forever I will worship you oh God
Forever and ever
Forever and ever oh God

Forever I will praise your name oh God
Forever I will worship you oh God
Forever and ever
Forever and ever oh God
