I no know where I for dey
If e no be your grace
Where would I be
If it wasn't for your love
You died on the cross
And I am alive oo
You shed your blood to set me free

Mighty God
Hallowed be your name
Who else deserves my praise
From age to age
You will never change
Oh Lord,
You are worthy of our praise

For all you do for me
I cannot tell it all

Oh Lord
How great thou art

You wiped away my tears
Turned my mourning into dancing
This man you saved
Has come to give you praise

Jesu doh
