

Lion & The Lamb

Eben

There's none like you
Lion and the lamb

You never make a mistake
You are the potter and I am the clay
You justify me with your righteousness
You always come through for me

You never make a mistake
You are the potter and I am the clay
Yes, Lord
You justify me with your righteousness
You always come through for me

Jesus. Oh, Jesus
I'm in love with you
My Lord and my God, you are excellent
Savior, savior, lion and the lamb
My Lord and my God, you are excellent

Jesus. Oh, Jesus
I'm in love with you
My Lord and my God, you are excellent
Oh, God
My savior, savior, lion and the lamb
My Lord and my God, you are excellent, excellent
My Lord and my God, you are excellent, excellent, excellent
My Lord and my God

Said, you would never make a mistake
You are the water and I am the clay
You justify me with your righteousness
Thank God
You always come through for me

Jesus. Oh, Jesus
I'm in love with you
My Lord and my God
Savior, savior, lion and the lamb
My Lord and my God, you are excellent, excellent, excellent
My Lord and my God, you are excellent

My Lord and my God, you are excellent
Yes, Lord
My Lord and my God
My Lord and my God
My Lord and my God, you are excellent
And my Lord and my God
My Lord and my God
My Lord and my God, you are
Oh, God
Oh, God
Lion and the lamb
Lion and the lamb
Lion and the lamb
Lion and the lamb
Lion and the lamb

You are excellent in your ways
Excellent in all you do
The most excellence
The most excellence
You're the most excellent
Lion and the lamb
Yes, Lord
