

Take All The Praise

Eben

I have come to give back to You
I have come to say thank You Lord
I have come to give back to You
I have come to say thank You Lord

Take all the praise
Take all the praise
You deserve

Take all the praise
Take all the praise
You deserve

I have come to lift up my hands
I have come to say thank You Lord

Take all the praise
Take all the praise
You deserve

I have come to give you a shout
I have come to say thank You Lord

Take all the praise
Take all the praise
You deserve
