

Bad Day

EBK Jaaybo

Aye, Yea, Gzz, Gzz, Gzz, Gzz

Yank up and park a nigga load like the valet
Threw a booty on the Glock and I just wanna see that ass shake
(Yea)

Aye free the J it hurt my soul when they grabbed em'
Somebody finna have a bad death
Nigga, cause I just had a bad day
You ain't my fam if you ain't step about my last name
And I done put some niggas in the dirt that didn't have graves
You feel me, that was the real me when I killed em'
Wrap in a sweater when he in the coffin shit get chilly

And I could terrorize the jiddy (Aye)
But I rather get the drop and come pop up where he livin'
Checkin' cause gram tryna see if he alive
Cause I'm the one that did it
Yea, I'm mad ass fuck I ain't clip em'
Same size a midget, baby this is just a k
Don't gotta slide again just popped a reptable the other day
Foot misses, on J's
On them skits I don't play
I'm gon' show you that aggression
Can't show you how good I could talk but I can show you how I'm
steppin'
My brother grabbed a target and an innocent I can't give lil br
o no lecture
Ain't slid wit' no man but I did it wit' the vector
Shit hit different when you fuckin' wit' a stepper
Aye baby I'm that nigga from the G
Left a nigga on the sidewalk, yea I'm that nigga in these stree
ts
Might be a loved one to y'all, he just history to me
Snitch k if he a rat I'm gon' get em' off the team (Gzz)

Yank up and park a nigga load like the valet
Threw a booty on the Glock and I just wanna see that ass shake
(Yea)
Aye free the J it hurt my soul when they grabbed em'
Somebody finna have a bad death
Nigga, cause I just had a bad day
You ain't my fam if you ain't step about my last name
And I done put some niggas in the dirt that didn't have graves
You feel me, that was the real me when I killed em'
