Break Yo Back

EBK Jaaybo

(Jew3lz, Jew3lz, Jew3lz)
(Oh Yo Bitch was on this one)
21 nigga, aye
21 nigga, aye
Yeah, yeah, yeah
Yeah, yeah
Ayy, ayy, ayy, ayy nigga

Is we trippin' or we not? Is it funk or it ain't?
Don't come around me, then gon' speak behind my back, 'cause that shit fake
A lot of niggas tryna kill me, I just ride with Lil' Play with the Drac' in hand
She break her back in the club, that's her favorite dance
Hey, fuck it up then, bitch do your shit
Don't walk up on me like you poppin' I do not know who you is
Every time they came and snatched a nigga up, I plead the fifth
Balenciagas with the purples, thousands on designer fits
Go getter

Whore bucks, a hoe send her, ask your baby mama
Argue with his bitch over rent, he got baby problems
Coulda hit his body, I walked up and chose the facial option
Hold on, hold on who really sendin' hits?
Who really sent the bitch?
A couple of times, I'm EBK, I barely fuck with Crips
And I done popped a couple bloods, I don't care who you is
That go for anybody
That old ass kid archive it, blood you didn't pop him
If it's a problem, I come solve it, we the pest control
Turned him to a stripper when we stripped him, but he left his pole
Constructive with these gadgets, what the fuck you think I bought 'em for?
Them niggas said my bro was slow, cuz was slow too
Run Ricky, jump out gang, he ran a four two
The phone got hectic, popped some niggas I was close to
He only pop it from the corner, he a prostitute
Just drop me off if you don't slide because I gotta

Is we trippin' or we not? Is it funk or it ain't?
Don't come around me, then gon' speak behind my back, 'cause that shit fake
A lot of niggas tryna kill me, I just ride with Lil' Play with the Drac' in hand
