

## Fall Behind

EBK Jaaybo

Loving changing for the better, just be grateful for it  
It made me stronger when you left, how could I hate you for it?  
My brother hit me from the pen' and I just can't ignore him  
Don't focus on what the sucka said 'cause that ain't important  
Time pass in that cell thinkin' 'bout your kids  
The shit you did don't matter now 'cause you been gone for ten  
And when you die, you get forgotten, that's just how it is  
Found guilty of all charges, life inside the pen'  
Or life inside a graveyard, that's how his story ended  
The game changed, nowadays, they glorifyin' snitchin'  
Should've been somewhere playin' ball, instead, I chose the trenches  
Had his back against the wall, forced to take a sentence  
I wish the best for all my brothers, nothin' less than that  
'Member you blessed me with some cheese, I had to bless you back  
Used to be buyin' five sacks from Slo and Bubbs on Anne  
I started thuggin', used to think that I'd never rap, 21

I shook the world when they was sleepin' on me  
Fuck you talkin' 'bout?  
Still standin'  
21  
Ayy  
Look

Don't give up too much information, niggas ain't your bros  
And we was just on speaking terms, what you hate me for?  
Broke my heart in high school, still ain't forgave that ho  
Just touched two hundred off of rap, I'm tryna make some more  
Came home to success, glad I beat the case  
They tried to slap them shootings on me, had me losing faith  
They tried to link me to a murder, I ain't say a thing  
Just asked Max what they offered, he said, "All day"  
I put my section on my back, that's how it's supposed to be  
I told my brother Max, "Don't trip, I got your lawyer fee"  
Could've stopped hoopin', but I can't, I'm on the court for team  
And they don't make 'em like J-Money, I need more mes, 21
