

Baby girl you all I see, think you the woman of my dream  
That's my hustle, taught her everything she know, yeah, that's  
on me  
Bring the bag, I wanna do some Alexander on my queen  
I want to buss' her down in Gucci 'cause she always keep it G  
Dior bags and Louis Vs, let's hit the rollie store  
[?] protected by my love, ain't tryna show you wrong  
[?] with some ice on, she in a whole different time zone  
So I'm gon' make sure she keep a rollie on

Cautious when it come to niggas 'cause they did her wrong  
Foreign [?], never drove a Benz before  
[?] fifty  
And I'ma let her drive anywhere she wanna go  
Her last relationship was bogus, she need something real  
She started poppin' ecstasy, 'cause she ain't wanna feel  
Don't be cautious, let me try to fix them open wounds  
Stayed down when I was down, that's how you know it's real  
I almost let the fame blind me from the ones I love  
Record deal could never change me, girl, you know what's up  
I'll never let your heart explode just 'cause I'm blowin' up  
Been on the road so I thought that I should call you up
