EBK Jaaybo

2 1 Double O Nigga

I'm 2 1 You better duck when the Glock spark
You soft niggas get toasted like a pop tart
Not a sucker that I seen blood faze them
I been, high all week this like my eighth song

Keep a 40 just for backup
Fell in love with AR, that bitch act up
Bending blocks through the south I'm tryna catch me one
Up the choppa lil bro, you tryna bag you something

Nigga, I'm EBK bitch ain't shit change
Lil bruddy said he seen the suckas I'm like which way
If I tell you what I just did I gotta smoke you
Better stop playing around with demons before they get up on you

The chop janky better get jiggy
I wish I could throw a hunnid on this ten Milly
Ain't in a funk we be around we gon still kill
We just gon call that nigga SpongeBob

The glee tote, he don't never let his gun knock
How the fuck the opps keep surviving all these gunshots?
Heard they posted I been creeping on that one block
Dropped a fifty, play got the Cinabon hot

We up in they block but they ain't known that
Don't try to shake a nigga hand you get a toe tag
Give the bro the hand me downs like bruddy hold that

Ayy, I keep that bitch on me
Lil bro ain't tryna tote the Glock it ain't a switch on it
That nigga new to the block, Jayboo been on it
I can't breathe I'm sure you know what I'm smoking on
Thought I was finna eat the what? Bitch I'm going home

Fucked up her kitty I got long stroke
Plug hit me with the, I'm finna go broke
The other homie sell hoes and he snort coke

Shit, where the dope at?
He talking numbers bring the pole incase it go bad
I got yo bitch you got her out here wearing coach bags
He had the homie in his mouth you know we on that

Now tell me how the fuck that's not respectable?
I'm on the road, bitch I'm rolling I ain't message you
Vibe killer, that's the reason I don't mess with you

Shit, tell the engineer to run this back for me
Can give you everything you need just get that bag for me

Forty clap, made it back, we ain't stop squeezing
Send all the opps to heaven cause they not demons
Quarter back calling plays brodie Mark Ingram

Shit, I'm finna stop rapping
Said he clapped at Jayboo, he needa stop capping
Still active, still in traffic made it fresh home
I can't stop stealing souls I'm a collecto
Now tell me how the fuck that's not respectable
