West lane K heard they was at that store, I slid and did my shit
From nightingale. Ain't nothing like your older homie he got stripped
Popped door. Ain't like these other rappers I got skitz

In Moncler the neighbors taking pictures with me
I'm a donkey. On 7th street with VVSs on my neck I feel like Slo-be
Before I started talkin spicy in these songs I popped their older homie
Jumped out with Maxx I kicked it off. He went and got the tackle for me

Spoke on my bro gon' get that beat my any means for my nigga
Waist deep in this shit. Lost bro and that's on tina I've been spinnin
Left him with a zipper. Hit him 6 times how he living
I gotta hop in low for bro 'cause I felt that in my soul
Had a beat before the rap. Ask the suckas niggas know
Stay off live if you don't stay outside, I'm coming if they home
I need a fiend now These hoes ain't want a G when I was broke

The last nigga didn't die Shed a tear when he lived
