

Unacceptable

EBK Jaaybo

Aye, when it's time to step, bro, you better step
The bitch a dog that want some dick so I made her fetch (Chris Bone)
Twenty bands the long way, I had to make it stretch
If you ain't pop nothin', nigga, don't try to bang the set
Why you on the block and you ain't bring yo' weapon?
He don't never use his Glock, that bitch get neglected
Blood applied to join the team but he ain't get accepted
Seen a sucka and ain't get on? That is not respected
Whip out and ain't blow, that's not respectable
Choppa bullets hit his brains, now he a vegetable
Push up on him, givin' suckas passes unacceptable
All the suckas trained to rat so I'm just skeptical
Huh, slid through there twice, didn't see 'em once
The feds tryna snatch all the pits, nigga, free the mutts
I'm 21, Deion Sanders, but I play for bucks
You tryna get some rank in the hood? You gotta catch you one
Aye, get up on that nigga, son, make me proud
Tino a 21 baby, product of the South
Smokin' zaza, in la-la land, pass the loud
Don't hesitate to bust that pistol, nigga, knock him down
Aye, park and cut the engine off, please don't make a sound
All I do is smoke opps, cop lean and pounds
Remove that nigga, blood told and you brought him round
You say it's fonk then it's fonk, I'll never turn it down, aye
