

Problem

Ebony Day

Hey baby even though I hate ya!
I wanna love ya I want you!
And even though I can't forgive you
I really want ya I want you!
Tell me, tell me baby why can't you leave me?
Cause even though I shouldn't want it
I gotta have it I want you! Head in the clouds
Got no weight on my shoulders I should be wiser
And realize that I've got

One less problem without ya! I got!
One less problem without ya! I got!
One less problem without ya!
I got one less, one less problem
One less problem without ya I got!
One less problem without ya! I got!
One less problem without ya!
I got one less, one less problem

I know you're never gonna wake up
I gotta give up but it's you!
I know I shouldn't ever call back
Or let you come back but it's you!
Every time you touch me and say you love me
I get a little bit breathless I shouldn't
Want it but it's you! head in the clouds
Got no weight on my shoulders I should be wiser
And realize that I've got

One less problem without ya! I got!
One less problem without ya! I got!
One less problem without ya!
I got one less, one less problem
One less problem without ya I got!
One less problem without ya! I got!
One less problem without ya!
I got one less, one less problem

Yo yo more money more problem what they used to say
Now my problems with you, when I called you babe
And I'm just tryna to tell the truth, baby why like
(Ooh noooh yeah) I'm doing me that's a shoot ball
I ain't chilling to solve this problem
That's a school hoe more I guess learn being cool now
I see in you 25 what we doin' brown
(Whoah) that's one less problem yet I know I got 'em

Head in the clouds got no weight
On my shoulders I should be wiser
And realize that I've got

One less problem without ya! I got!
One less problem without ya! I got!
One less problem without ya!
I got one less, one less problem
One less problem without ya I got!
One less problem without ya! I got!

One less problem without ya!
I got one less, one less problem
