

## 30th Floor

Ecco2k

A dream of life  
Yeah, it's my destiny

Bookbag full of white and they all in the supersun  
Thaiboy fucking goon, got it all like a superstar  
30th floor, in BK, that's a cursed town  
Really had it coming, ain't no waiting around  
GTB when they around, Bangkok, sip it slow  
Hundred cities, hundred towns, I'm doing shows (I'm on the road )  
30th floor, in the 30th floor  
30th floor, in the 30th floor

Sour cherry, taste like candy  
You as my destiny  
They can't stand me, I'm not standing, I keep that energy  
Silver camo, give me pleasure  
It got the best of me  
Kiss the candle, I love the cover, but do we cash or leave?
