

Valhalla calling, falling forever
Dreaming in a dream
Valhalla calling, falling forever
Dreaming in a dream
I see the sunshine sometimes
Destroy and create
Dreaming in a dream
Destroy and create

Everybody know, everybody go
Everybody knows how that goes

Moon and sun
Fear and love
Everything a part of love
Head, heart
Light against dark
Everything a part of love
Everything a part of love
Earth, star
Everything falls
Everything a part of love
Rain and snow
Everything a part of what you are

Love
Love
Love
Love
Everything a part of love
Love, two as one
Fall in love
Everything a part of love
One, one, two, one, two
Everything a part of you
Everything a part of you
Love is one, everything there always was, us

I want it
I-I-I want it
I want it
I want it
I-I-Iconic
Iconic
I want it
I-I-I want it
I want it
I want it
I-I-Iconic
I love it
I want it
I-I-I love it
I love it
I want it
I-I-Iconic

It's that time, it's the 9

Dreaming in a dream
D-9
I flirt with faith, I'm flirty
Crystal rings my name
Valhalla calling, fall in
Beauty and the beast

I walk the starsigns upwards
Glory and the fame
Elysian fields forever
Endless flowers sing the hymn
Destroy and create
Perform my life's work
Beauty and the beast
These extremes
Destroy and create
Dreaming in a dream
