

I can change the rules  
I can change the rules  
I can change the rules  
Let's do it  
So let's do it  
(I'm not afraid of anything)  
So let's do it

All my senses are clues  
I can change the rules (Change the rules)  
So let's do it (Security)  
Okay, let's do it  
Okay, let's do it  
I can change the rules  
Break my wrist [?] (Security)

Break the chain, I change the lock-piece  
Break the chain, I change the not-peace  
Break the chain, I change the rule  
Break the chain, I change the rule  
I can-can-can  
[?] (Security)  
Okay, let's do it

Droplets meet the surface  
Turn to circles  
Into circles  
Energy is eternal  
One with the earth  
Universal  
Energy is eternal

Break the chain, I change the lock-piece  
Break the chain, I change the not-peace  
Break the chain, I change the rule  
Break the chain, I change the rule  
I can-can-can (Yeah)  
Let's do it (Let's do it)  
Think I can, let's do it

I'm not afraid of anything  
Energy is eternal
