Don't Ask (Quick Slip)

Ecco2k

You're listening to Trash Island Radio

Ask your heart (Please ask your heart)
Bring it back to where it was (Back where it was)
Ask your heart (Your heart, please ask your heart)
So I'm back in your arms (Bring me back in your arms)
Ask (Your heart, please ask your heart)
Won't you ask? (Your heart, please ask your heart)
Ask (Your heart, please ask your heart)
Won't you ask? (Would you ask? Would you ask it?)
Whatever you ask of me (What you ask)
I'll let you have (My heart, please have my heart)
Every last drop of me
I'll let you have it (I'll let you have it)
So I can break my fall
'Cause I'm fallin' hard (I fall so hard)
I'll pray to any God (Pray to God)
Create someone (To hold my heart)
It won't last (It won't last)
But I tried so hard (I tried, I tried)
It won't last (That long, won't last that long)
Or it won't happen at all
Ask (To God, I pray to God)
Won't you ask? (Someone, create someone)
Ask (Someone to hold my heart)
Won't you ask? (Your heart, please ask your heart)
To hold my heart
To hold my heart
It stops and starts
(Someone free me from my skin
Evaporated, now I'm gone in the wind)
It tears apart
(Something ended but nothing new did begin
I carry weight until my spine's giving in)
And paints the walls
