

# Hi Fever

## Ecco2k

I'll tell you the truth  
Just maybe I wanted to lose  
You want this, I wanted it too  
Come down to me, I'll walk with you  
I wanted to lose, come with me  
(I walk with you)  
Well, maybe I wanted to lose  
Well, maybe (Ooh), I'll tell you the truth  
Just maybe, I wanted it to come down to me  
I walk with you  
Think something's wrong with you (I want it, I want it)  
You let it talk for you (I want it, I want it)  
I want that high fever (I want it, I want it)  
I let you walk on me (I want you to walk on me)  
Baby, you're my beetroot (Won't you walk on me)  
I just want to squeeze the juice out and drink you  
(I want it, I want it, I want it, I want it, I want it, I want  
to drink from you)  
You're my grapefruit  
I just want to squeeze the juice out and drink you (That would  
be a dream come true)  
Oh no, look what you made me do  
You're a grapefruit, some like it sour  
  
I'll tell the truth  
(I want it, I want it)
