Watch yourself

Hej, min kärlek, min vackra Zak
Det är så att polisen vill se dig nu
Så vi [?] på nåt jävla fält
Vi sitter bakom ett träd, på en äng
Ge mig adressen så kommer vi till dig istället
Om det är lungt, det skulle va najs att se dig
Det här är bara fult, det är det fulaste av Sverige

Don't think about it 'cause it's not what you think
I've got a hole in my body, leaking out, like a sieve
In the wall, doing nothing, next to the other bricks
I guess I don't know shit but everything is so concrete
Walking with nothing from my waist to my hip
I get a strong out-of-body feeling

Oh, I get it

Watch yourself
Pixie music

Whenever you're around I shut my big mouth
I got stonewalled so hard, I should have built a house
Okay, I get it, I get it, I got it
I've got to give it up whenever you come around
I got stonewalled so hard, I should have built a... (Okay, I go t it)

Don't think about it 'cause it's not what you think
I've got a hole in my body, leaking out, like a sieve
In the wall, doing nothing, next to the other bricks
I guess I don't know shit but everything is so concrete
Walking with nothing from my waist to my hip
I get a strong out-of-body feeling, from within (I get it)

Watch yourself
