

The Flag Is Raised

Ecco2k

Here comes that feeling you should never let it go
Caress that feeling, that feeling in you
The flag is raised baby the glory to the throne, it's just beginning
We winning
There is no goal only to walk the promised road, I'm coming home,
Virginia
I'm but a shell baby the hero is the soul, keep it within you
Continue in you

Suddenly everything turns gold for me suffering isn't anymore
Gold wash over me shining like the sun nothings ugly, white light
Cover me, in this world and her majesty, number one in reality

Head of the fountain, head of the Arrowhead
(Don't touch me, don't let them bait you)
Head of the fountain, head to the Arrowhead
(Good looking, yeah, but pay attention)
Head of the fountain, head to the Arrowhead
(Unconscious, I had to awaken)
Head of the fountain, head of the Arrowhead

She shines her light on me Maria, Maria
She shines her light on me Maria, Maria
Maria, Maria, Maria, Maria, Maria
Caress the feeling, the feeling in you
Maria, Maria, Maria, Holy Gloria
Keep it within you, continue
Maria, Maria, Maria, Maria, Maria
(Never let it go)
Caress the feeling, the feeling in you
Maria, Maria, Maria, Holy Gloria
(The hero is the soul)
Keep it within you, continue

Head of the fountain, head of the arrow
(Caress the feeling)
(Don't touch me)
Keep it within you, continue

Head of the fountain, head of the Arrowhead
Maria, Maria, Maria, Maria, Maria
Head of the fountain, head to the Arrowhead
Maria, Maria, Maria, Holy Gloria
Head of the fountain, head to the Arrowhead
Maria, Maria, Maria, Maria, Maria
Head of the fountain, head of the Arrowhead
Maria, Maria, Maria, Holy Gloria

Heres comes that feeling you should never let it go
