Storm off the set, strong headwind
27 knots, 54 knots, 108 knots on a silk thread
Under your spell, euphoria
Try mixing Wormwood with Cats Claw
Acid washed jeans came with black rocks
Ballerina spiral like Black Swan
Dropped everything off at the Red Cross
Bless, bless, bless, follow the white fox
Who wants to see God?
Something's up, I know it
Hex, hex, hex, hex, hex, hex, hex
Under your spell, euphoria
