

## You Lose

Ecco2k

[?], it's all about you  
I don't tell the truth, I break the rules  
Do what I gotta do, I had to  
Huh, huh, huh, huh, huh, huh, huh, huh  
Huh, huh, huh, huh, huh, huh, huh, huh  
I break the rules (Huh, huh, huh, huh)  
I break the rules (Huh, huh, huh, huh)  
I got to do (Huh, huh, huh, huh)  
I break the rules (Huh, huh, huh, huh)  
That's all I am (Huh, huh, huh, huh)  
That's all I am (Huh, huh, huh, huh)  
I break the rules (Huh, huh, huh, huh)

If you lose, I'm sorry, yeah (Huh, huh, huh, huh)  
Breaking rules, I gotta do you (Huh, huh, huh, huh)  
If you lose, I'm sorry, yeah (Huh, huh, huh, huh)  
Gotta do it

Will you stay in the rain?  
Will you walk through the rain?  
Had to see [?]  
Had to fly with the wings  
Feel the guilt for the kill  
For a touch of the skin  
Feels so close, like an inch  
Feels like needles and pins

If you lose, I'm sorry, yeah (Huh, huh, huh, huh)  
Breaking rules, I gotta do you (Huh, huh, huh, huh)  
If you lose, I'm sorry, yeah (Huh, huh, huh, huh)  
Gotta do it  
If you lose, I'm sorry, yeah (Huh, huh, huh, huh)  
Breaking rules, I gotta do you (Huh, huh, huh, huh)  
If you lose, I'm sorry, yeah (Huh, huh, huh, huh)  
Gotta do it (Huh)

Will, will you do it too?  
Will you do it too?  
Will you do it too?  
Will you do it too?

(Will, will you do it too?)  
(Will you do it too?)  
(Will you do it too?)  
(Will you do it too?)  
Huh, huh, huh, huh, huh, huh, huh, huh  
Huh, huh, huh, huh, huh, huh, huh, huh  
Huh, huh, huh, huh
