

# Ripeness

Echo & the Bunnymen

I found a thing in a bedroom  
Change the shape of the world  
For long enough  
Got the boat til as far as I could  
Afford it to take me  
It was far enough

Mature you said at the wrong time  
Broke my aging skin 'cause age was mine  
Had a field day  
Smelt like roses  
Harvesting my thoughts 'cause it was time

When you grasped the question  
Did you miss the meaning  
When you met your challenge  
Did you go out fighting  
We will discover  
Ripeness twice over

Sing your song  
Worth its weight  
In god gold  
Curse its fate

When you grasped the question  
Did you miss the meaning  
When you met your challenge  
Did you go out fighting  
How will we recover  
Ripeness when it's over

I lost something in a big room  
Change the shape of the world  
For long enough

When you grasped the question  
Did you miss the meaning  
When you met your challenge  
Did you go out fighting  
When you climbed on top  
Did you fall on shadows  
And then clambering off  
Did you fall on rainbows

How will we recover  
Ripeness when it's over  
How will we recover  
Ripeness when it's over

Neither kinder nor the kinder  
Are you fuel for the fire  
Neither uber nor the over  
Must have others to inspire  
I've discovered my Nietzsche  
I've discovered my Nietzsche  
Death should be unleashed

or something  
Do tell me  
What's the difference?  
Do tell me  
What's the difference
