

Let Go

Echoing Angels

I finally crossed the line
I finally took a chance to rediscover
The meaning of my life
And everything I wanted to uncover

And now it's clear to me
I'm where I'm meant to be

So let go, live for the moment
Reach out, that's how you show it
Live because you care
Be an answered prayer tonight

It changes you inside
Be careful 'cause it messes with your thinking
To give away your life
That's the only way you're really living

Don't you wait another day
To give it all away

And let go, live for the moment
Reach out, that's how you show it
Live because you care
Be an answered prayer tonight

Be the one to go to every nation
Be the one to tell them of salvation
Be the one when it all comes down
It could all come down to you

So let go, live for the moment
Reach out, that's how you show it
Live because you care
Be an answered prayer tonight

So let go, live for the moment
Reach out, that's how you show it
Live because you care
Be an answered prayer tonight, tonight
