

# Dear World

Echosmith

Dear world, I'm writing this song for you  
Dear world, I know what you're going through  
I know you're scared about tomorrow, scared of feeling hollow  
I am too  
Dear world, I'm writing this song for you

Dear world, you ain't all that I thought you would be  
A few trips ago 'round the sun  
I'm trying to find out what it means to be me  
I feel like I've barely begun  
How many souls can be crowded together  
And all of us feeling alone?  
All of us longing for hope  
All of us longing for hope

Dear world, I'm learning to wait for change  
Dear world, your beauty is born from pain  
You're looking for the magic to rise above the tragic  
I am too  
Dear world, I'm writing this song for you

Dear world, you ain't all that I thought you would be  
A few trips ago 'round the sun  
I'm trying to find out what it means to be me  
I feel like I've barely begun  
How many souls can be crowded together  
And all of us feeling alone?  
All of us longing for hope  
All of us longing for hope  
All of us longing for hope  
Dear world
