

# Reflektor

Echosmith

Trapped in a prison,  
In a prism of light.  
Alone in the darkness,  
A darkness of white.  
We fell in love,  
Alone on a stage,  
In the reflective age.

Entre la nuit, la nuit et l'aurore.  
Entre le royaume des vivants et des morts.  
If this is heaven,  
I don't know what it's for.  
If I can't find you there,  
I don't care.

I thought I found a way to enter;  
It was just a reflector. (Just a reflector)  
I thought I found the connector;  
It was just a reflector. (Just a reflector)

Now the signals we send  
Are deflected again.  
We're still connected,  
But are we even friends?  
We fell in love when I was 19,  
And now we're staring at a screen.

Entre la nuit, la nuit et l'aurore.  
Entre le royaume des vivants et des morts.  
If this is heaven,  
I need something more.  
Just a place to be alone,  
Cause you're my home.

I thought I found a way to enter;  
It was just a reflector. (Just a reflector)  
I thought I found the connector;  
It was just a reflector. (Just a reflector)

It's just a reflector, just a reflector.  
It's just a reflector, just a reflector.

Our song it skips  
On little silver disks.  
Our love is plastic,  
And they break it to bits.  
I want to break free,  
But will they break me  
Down, down down,  
Don't mess around.

I thought I found a way to enter;  
It was just a reflector. (Just a reflector)  
I thought I found the connector;  
It was just a reflector. (Just a reflector)

It's just a reflector, just a reflector.

It's just a reflector, just a reflector.

Thought you were praying to the resurrector;  
Turns out it was just a reflector.  
(It's just a reflector, it's just a reflector)  
Thought you were praying to the resurrector;  
Turns out it was just a reflector.  
(It's just a reflector, it's just a reflector)

It's just a reflector, just a reflector.  
It's just a reflector, just a reflector.

But I see you on the other side.

It's just a reflector.  
But I see you on the other side.  
We all got things to hide.  
It's just a reflector.
