

With You

Echosmith

You've been
There for me when I needed
Someone fightin' on my team
You were always believe'n
That's how it's supposed to be
I would never leave your side

I'll go anywhere if I'm with you (Oh oh oh oh)
Lightning strikes
Or any shade of blue (Oh oh oh oh)
The journey's the best part
Even when the road gets hard
I'll go anywhere if I'm with you
With you
(Ooh)

You know
Doesn't matter where we go
You can count on me staying
Rain or shine it won't break us
That's how it's supposed to be
I would never leave your side

I'll go anywhere if I'm with you (Oh oh oh oh)
Lightning strikes
Or any shade of blue (Oh oh oh oh)
The journey's the best part
Even when the road gets hard
I'll go anywhere if I'm with you
With you!

(Oh oh oh oh)
(Oh oh oh oh)
(The journey's the best part)
(Even when the road gets hard)
(I'll go anywhere if I'm with you)
Oh! If I'm with you!
