

# Falling to My Knees

Eclipse

(1, 2, 3, 4)

Hey, let's go

Live in the fast lane  
Running wild, I'm a highway child  
Been a rambling man since the day I was born  
I'm never gonna change, no way

But I can't stop these crazy feelings inside of me  
This can't be real...

Oh, you make it hard to breathe  
And I can't stop falling, falling to my knees  
Oh, you come and go as you please  
Still I can't stop begging, begging baby please  
No, I can't stop falling, falling to my knees  
Oh no...

I hear the crying  
It's the roar of the midnight song  
Always win, never lose is the life that I choose  
I'll never give it up, oh no

But I can't understand what has happened inside of me  
All these fantasies...

Oh, you make it hard to breathe  
And I can't stop falling, falling to my knees  
Oh, you come and go as you please  
Still I can't stop begging, begging baby please  
No, I can't stop falling, falling to my knees

Oh sweet lord

Oh, you make it hard to breathe  
And I can't stop falling, falling to my knees  
Oh, you come and go as you please  
Still I can't stop begging, begging baby please  
I can't stop falling, falling to my knees  
For you, and you, and you  
Can't stop begging, begging baby please  
No, I can't stop falling, falling to my knees
