

I Don't Get It

Eclipse

Anybody asking
Anybody care what we do or say
We are down on our knees
They dine on Wall Street
Enough's enough

They always say they've earned it
Always working hard I can see the sweat
With their diamonds and cars
The fine wine and art
Enough's enough, yeah!

No, no I can't take it no more
I don't get it at all
I can hardly breathe
I can not sleep
I don't get it at all, no!

Living in their bubbles
Living perfect lives with perfect wives
With their pools and their yachts
The mansions and dogs
Enough's enough, oh yeah!

No, no I can't take it no more
I don't get it at all
I can hardly breathe
I can not sleep
I don't get it at all
Cause everybody says I'm a hopeless case
Everybody says better know your place
Still I can't take it no more
I don't get it at all, no!

No, no I can't take it no more
I don't get it at all
I can hardly breathe
I can not sleep
I don't get it at all
No, no I can't take it no more
I don't get it at all
I can hardly breathe
I can not sleep
I don't get it at all, no!
Cause I don't get it at all
