

# Make It Right

Econoline Crush

Someday we're gonna make it right  
Someday we're gonna win this fight  
Someday we're gonna make it right  
Someday we're gonna win this fight

Broken are their little wings fallen from above  
What am I supposed to think  
I don't think I know enough  
Hurry don't be late today  
Not for what is lost  
Hurry don't delay a thing  
You've almost got a lot

Oooh I know you'll be comin' 'round  
With fire in your eyes  
Yeah, we're gonna make it right  
We're gonna win this fight  
And I don't know why it took me oh so long to get here  
we're gonna make it right  
We're gonna win this fight  
And I don't know why it took me oh so long to get here

Broken are the little strings  
They can't hold you up  
Waiting on your patron saint  
I don't think he'll be enough  
Hurry, don't be late today  
You know what you've done  
Hurry, don't delay a thing  
Look what you have won

Oooh I know you'll be comin' 'round  
With fire in your eyes  
Yeah, we're gonna make it right  
Someday we're gonna win this fight  
And I don't know why it took me oh so long to get here  
Yeah, we're gonna make it right  
Someday we're gonna win this fight  
Yeah, and I don't know why it took me oh so long to get here

Oooh I know you'll be comin' 'round  
With fire in your eyes  
Yeah, we're gonna make it right  
Someday we're gonna win this fight  
And I don't know why it took me oh so long to get here  
Yeah, we're gonna make it right  
Someday we're gonna win this fight  
Yeah, and I don't know why it took me oh so long to get here

Yeah, we're gonna make it right  
And I don't know why, and I don't know why, and I don't know why  
Yeah, we're make it right  
Yeah, and I don't know why it took me oh so long to get here.
